Jennico2, Inc. MATERIAL SAFETY DATA SHEET

20% NoPock

Section I - Product Information

Product Trade Name: Liquid Detergent CAS Number: N/A, mixture Manufacturer: Jennico2, Inc.

4404 Anderson Drive Eau Claire, WI 54703

Effective Date: March 31, 2004
Formula: Proprietary
DOT Shipping Name: Not regulated.
Label: Not regulated.

Emergency Telephone: 1-800-424-9300 (CHEMTREC)

General Information: 715-835-0778 Revision Date: 3/31/04

Section II - Hazardous Ingredients

<u>Ingredients</u> <u>TLV PEL STEL CAS No.</u>

NONE

Section III - Physical Data

 $\begin{array}{lll} Boiling \ Point: & ND \\ Freezing \ Point: & Variable \\ Specific \ Gravity \ (H_2O=1): & 1.03 \\ Density, \ (lbs./gal.): & 8.60 \\ \end{array}$

% Volatile: 80%

Evaporation Rate: Unknown

Solubility in Water: Dilutable with water

pH (as is): 6.5 - 7.5

Appearance and Odor: Clear, Chemical Odor

Section IV - Fire and Explosion Data

Flash Point: ND

Extinguishing Media: Water, Foam, CO₂, or Dry Chemical

Fire Fighting Procedures: Cool Material with water

Fire / Explosion Hazards: NONE

Section V - Reactivity Data

Stability: Stable Conditions to Avoid: None F

Conditions to Avoid: None Known Incompatibilities: None Known

Hazardous Decomposition: None

Hazardous Polymerization: Will not occur.

Section VI - Toxicological & Health Hazard Data

LD50: Not determined. Threshold Limit Value: Not determined.

Effects of Acute Exposure:

Ingestion: May result in gastrointestinal

irritation

Inhalation: May produce irritation of respiratory

tract

Skin Contact: Direct contact may cause irritation. Eye Contact: Direct contact will be irritating.

Effects of Chronic Exposure: None determined. Carcinogen Status: Non-carcinogenic.

Emergency First Aid Procedures:

If swallowed: Drink a glass of water or milk. Call a

Physician if symptoms persist or amount swallowed was large. Inhalation: Remove to fresh air; consult a Physician

if symptoms persist.

Skin Contact: Promptly flush with water. Remove

contaminated clothing and shoes.

Eye Contact: Promptly flush with large amounts of water for at least 15 minutes. Contact physician if symptoms persist.

Section VII - Safe Handling and Storage

Store at 40°F to 90°F. Keep from freezing.

Keep away from fire and heat.

Keep containers closed when not in use.

Provide adequate ventilation.
IN CASE OF RELEASE OR SPILL:

Contain spill. Small spills may be flushed to the sewer or absorbed on suitable absorbents. Larger spills should be collected as liquid or absorbed. Place in appropriate containers.

RECOMMENDED WASTE DISPOSAL METHODS:

Product, as packaged, does not meet the criteria of a hazardous waste under the Resource Conservation and Recovery Act (RCRA) 40 CFR 261. Dispose of in accordance with all regulations applicable to non-hazardous liquid waste.

SECTION VIII - CONTROL MEASURES AND PROTECTIVE EQUIPMENT

None Required

Make sure area is well ventilated.

SECTION IX - REGULATORY INFORMATION

SARA Title III (Superfund Amendment and Reauthorization Act)

Section 302 - Extremely Hazardous Substances: None

Section 304 - Release Reporting: Sodium

dodecylbenzenesulfonate, Reportable quantity 1,000 lbs. Section 311/312 - Material Safety Data Sheet Requirements:

None

Section 313 - Toxic Chemicals: NONE

California Prop 65: None

SECTION X - HAZARD RATING INFORMATION

HAZARD RATING

4 = Extreme Health - 1 0 = Insignificant Fire - 0

Reactivity - 0

SECTION XI - USER'S RESPONSIBILITY

Jennico2, Inc. cannot anticipate all conditions of handling and use of this product. Therefore, Jennico2, Inc. accepts no responsibility for results obtained by the application of this information, or the safety and suitability of our products either alone or in combination with other products.

It is the responsibility of the user to provide a safe workplace, using the health and safety information contained herein as a guide. Jennico2, Inc. will accept no liability for damages or loss incurred from the improper use or handling of this product.
